Subject: Acceptance Letter of Intern Backend Developer

Dear Devindi Rathuge,

I hope this letter finds you well. We are pleased to welcome you as an Intern Backend Developer at Neo Solution. Your internship marks an important step in your professional journey, and we are excited to have you as part of our team.

During your internship, you will have the opportunity to gain hands-on experience in web development, collaborate with experienced professionals, and contribute to meaningful projects. We expect you to approach this opportunity with dedication, enthusiasm, and a willingness to learn.

Please find below some key expectations and guidelines for your internship:

Professionalism: Maintain a high level of professionalism, punctuality, and ethical conduct throughout your tenure.

Learning and Development: Take initiative in learning new technologies, tools, and industry best practices.

Collaboration: Work closely with team members, seek guidance when needed, and contribute effectively to ongoing projects.

Data Security: Ensure that all company information, data, and intellectual property remain secure and confidential at all times.

Feedback and Evaluation: Your progress will be regularly assessed, and constructive feedback will be provided to help you grow.

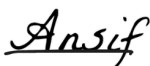

Please note that this letter will become active upon signing the official company agreement. The agreement outlines the terms and conditions of your internship, and we request you to review it carefully before signing.

We believe that this experience will be valuable in shaping your future career. Should you have any questions or require any assistance, please do not hesitate to reach out.

We look forward to working with you and witnessing your contributions to Neo Solution.

Best regards,

NEO Solution
